Terms and Conditions for Dispersal Sales

(Limited Warranty)

Adopted March 4, 1996 by the American Jersey Cattle Association

TERMS: The terms of the sale are cash, check, or wire transfer for the full purchase price in U.S. funds on sale day. Parties unknown to the seller or sale management must furnish a statement or letter from his/her bank or a certified check. The seller, sponsor, or sale manager reserves the right to require payment by wire transfer, certified check, or in cash. If other arrangements for payment are made with the seller, a written agreement acknowledging such terms and signed by both parties must be filed with the sale clerk prior to release. All payments must be made to the sale clerk. No release will be given prior to a satisfactory settlement, whereupon a signed order from the clerk must be presented to the loading supervisor. Seller retains title until payment has been honored unless other arrangements are made. Buyers are entitled to warranties as listed below only after full compliance with these terms.

SALE POSITIVE: The highest bidder shall be the buyer. Every animal is pledged to absolute sale unless withdrawn for cause as determined by the sale manager. In case of dispute the animal shall again be put up for advance bids, and if there be no advance bid, the animal shall be sold to the person from whom the auctioneer accepted the last bid. If two or more claim the bid, the auctioneer shall indicate the party whose bid was recognized. Other claimants will be given an opportunity to increase the bid. Bidding directly or indirectly on an animal in which the bidder or any person for whom the bid is made has an ownership interest is prohibited unless the intention to bid is disclosed specific to each animal in the catalog or announced from the auction stand.

CERTIFICATES OF REGISTRATION: Certificates of registration or identification (whichever applies) showing transfer to the buyer on the records of the American Jersey Cattle Association will be furnished by the seller for each animal at no cost within a reasonable period of time. An animal may not be transferred back to the seller for a period of one year except at the discretion of the American Jersey Cattle Association. Registration certificates show registration on the records of the American Jersey Cattle Association, but are not documents of title.

CATALOG INFORMATION: The material in the sale catalog has been carefully edited. Any errors, omissions, or information noted after printing of the catalog will be announced from the auction stand. Such announcements will take precedence over printed matter in the catalog. In any event, neither the sponsor nor the sale manager shall be responsible for errors or omissions.

RISK: All animals are at the buyer's risk as soon as struck off, but will be cared for at no cost for 24 hours. Buyers must make arrangements for care of their purchases beyond the 24 hour period. Animals are solely at the seller's risk prior to being struck off, including that time while under the care and supervision of the sponsor or sale manager.

BREEDING WARRANTY: All animals are sold "as is" in regard to pregnancy or breeding status. No animals are guaranteed pregnant, to breed, to deliver normal calves, or to carry calves to term. However, all animals that have been bred for a reasonable period of time will be checked by a licensed veterinarian before the sale and his diagnosis will be announced, but not guaranteed.

WARRANTY: The seller warrants clear title to the animal and other items sold and the right to sell the same. The seller makes no other warranties, express or implied, including without limitation, merchantability or fitness for a particular purpose. All warranties cease when an animal is resold or transferred by the original purchaser.

HEALTH CERTIFICATE: The seller will provide to the buyer an official health certificate for interstate shipment of each animal. No warranty is made as to the condition or health of the animal or the result of any future health test or as to the condition of an animal's udder following calving. Herd and/or area accreditation and certification status and calfhood vaccination status will be printed in the catalog or announced from the auction stand. Health tests and condition for export sales to foreign countries or states with special health requirements are the sole responsibility of the buyer unless otherwise announced from the auction stand or otherwise agreed prior to sale between the seller and the potential buyer.

SHIPPING: Assistance will be given in loading and shipping animals after the sale but no risk is assumed by anyone associated with the sale when such assistance is given. All costs, risks and responsibilities are borne by the buyer, and transportation charges on all animals subject to adjustment shall be paid by the buyer, unless other arrangements are made.

ABSENTEE BIDDERS: While it is preferable for prospective bidders to attend the sale in person, for the convenience of those not present, members of the sales force will represent you at the sale. Others handling bids for absentee buyers should identify themselves to the sponsor or sale manager before the sale to ensure that the terms of the sale are complied with. Any person handling a bid for an absentee buyer does so as agent only and is not responsible to the buyer for any animal he may purchase in that capacity.

RESPONSIBILITY: The seller is solely responsible for all warranties, as to animals or other property offered for sale. The sale manager, auctioneer and sponsor are acting as agents only and are not responsible for the title, condition, quality, fitness, or productiveness of any animals or other items sold. Examination of all purchases should be made immediately after purchase, and any complaint must be reported to the sale manager before the close of the sale. Neither the sale manager, the sponsor, the seller, the auctioneer, nor anyone associated with the sale shall be responsible for accident, injury or property loss to anyone attending the sale. The sale manager, sponsor, and auctioneer shall not be liable for payment of the purchase price of any animal or other item sold. In submitting entries and/or selling animals or other items, the seller agrees to the terms and conditions set forth herein and assumes full responsibility of his or her animals.

PENALTIES: Violations of these terms and conditions shall be considered unethical sales practices and shall subject the violator to such penalties as may be imposed by the American Jersey Cattle Association.

The American Jersey Cattle Association and National All-Jersey Inc., promote the use of authentic and unaltered photographic images of Jersey animals, and disapproves of the use of any photographic images that alter the body of the Jersey animal. The American Jersey Cattle Association therefore requests that all photographic images of Jersey animals submitted for publication in catalogs of Jersey Marketing Service contain no alterations to the body of the animal.

Despite its best efforts to ensure that only unaltered photographs of Jersey animals are used in this publication, the American Jersey Cattle Association cannot guarantee that every photographic image of a Jersey animal is authentic and unaltered.

*I*t's time to turn the page. How does it end? That's what we all want to know right? A good book, movie, the story of your life or better yet, the dream you're chasing. When we get to the end, how are we going to feel? Was it worth it?

We are at the end of a dream at Heartwood Farm. With all optimism and gratitude, we welcome you to the "Live Your Dream" complete dispersal of our beautiful herd of Jersey cows. Our herd has allowed us to realize our dream of farming and raising our family on a farm. Now we make them all available to you, so they can become a part of your story as you live your dream. We hope as you look through the following pages, where our 400 animals are listed, you find options that fit your program. As we prepared for the sale, we have looked at our herd in a new way, thinking about how they will transition and how they will perform for you. We are confident these cows will help improve your herd whether you are growing your Jersey herd or (if you're really smart) converting to more Jerseys in your herd.

Our breeding philosophy has been simple, and we have not waivered. Choose bulls who are positive DPR, at least a point of type with above average udder composite, also positive for percent protein and percent fat. After these criteria are met then choose the highest JPI. For nearly a decade we have bred the best of the herd to gender selected semen and the rest to beef. This has moved our top end up considerably. Not just on conformation, but also pregnancy rate, components and longevity. For the last year we have bred all cows to top genomic bulls and some of our favorites like CHROME and CASINO just to name a few.

Julia, Laura & Nathan

I mentioned longevity, well that is the reason we decided to offer our herd at auction. Our mature cow pen is filled with exactly the kind of cows we like, powerful, healthy front ends and body capacity. Udders that have stood the test of time while delivering large volumes of milk. We wanted you to see these impressive cows. Even if you choose the fancy young cows or sharp heifers, you can have confidence they will develop into cows who will stand the test of time.

The result of our effort is a herd that is consistent in conformation, with great legs and beautiful udders, breeds back, grazes well and produces very high component milk.

We are glad we took the risk to dairy farm and while it was not easy, it was worth it. We spent the past 15 years teaching Nathan and Julia how to care for our people, cattle and land with gentleness as we produced food to feed people we will never know. Our kids are our best crop.

This isn't sad. We feel proud. It's the close of a chapter on our terms. This grand experiment has been a success. We love these cows and Laura has absolutely loved her job managing our herd. Just because you love your work, and even if you are good at it, doesn't mean you should do it forever. We are ready to write the next chapter.

How lucky are we that we got to live our dream? Very. No regrets, only gratitude. How does our story end? We don't know because this book is far from over. We hope our story especially with this plot twist, causes you to think about your own. What's your next chapter? How will your story end? For us the best ending to this chapter will be knowing our girls will help you achieve your goals. Chase your dream, it will be worth it.
