

**AMERICAN JERSEY CATTLE ASSOCIATION  
NATIONAL ALL-JERSEY INC. & ALL-JERSEY SALES CORPORATION**

**POSITION DESCRIPTION**

**TITLE:** Application Developer

**DESCRIPTION:** The Application Developer will work as a member of the Information Technology team to provide high-quality mobile and web applications for the organizations' staff and customers.

**LOCATION:** Based in the AJCA-NAJ Headquarters, Reynoldsburg, Ohio.

**REPORTS TO:** IT Manager

**RESPONSIBILITIES:**

- Create and maintain mobile (Android, Windows) and web-based applications.
- Collaborate with management and end users to help clarify application goals, identify potential issues, and recommend solutions.
- Provide written documentation of new and revised application development.
- Plan and direct thorough testing of new and updated applications to ensure they will produce the intended outcome.
- Help create user manuals for all new applications to assist the end users. Update existing user manuals to reflect any revisions to their respective applications.
- Assist the Information Technology team with existing application enhancements to increase operating efficiency and to adapt to new system or user requirements.
- Undertake any other projects or duties as instructed by the IT Manager.

**PLACEMENT STANDARDS:**

- Associate degree or higher in software development or related field, or equivalent experience.
- 1+ years of experience creating and maintaining Android applications using Java or C#.
- Proficient with SQL Server 2012/2014/2016 and SQLite3 databases.
- Proficient with Android Studio or Visual Studio 2015/2017.
- Familiarity with Jira or equivalent project management systems.
- Familiarity with creating and maintaining Windows Mobile and web applications using C#, HTML5, CSS3 and JavaScript a plus.
- Effective project planning and problem-solving skills.
- Strong time management skills.
- Excellent communication skills including writing, speaking and the ability to listen.
- Willingness and ability to meet project deadlines.
- Team oriented with positive interpersonal skills.
- Availability to work a flexible schedule that may occasionally include extended weekday and weekend hours to meet project deadlines.

**SALARY**

Commensurate with qualifications. Employee benefit package available.

*This Position Description in no way states or implies that these are the only duties to be performed by this employee. This person will be required to follow any other reasonable instructions and to perform any other duties requested by the IT Manager and the Executive Secretary & Chief Executive Officer.*

*August, 2017*
